

## EU Declaration of Conformity

The Non-Automatic Weighing Instrument

III

|                                  |                             |
|----------------------------------|-----------------------------|
| Manufacturer                     | Charder Electronic Co., Ltd |
| Model                            | MS21-NEOV                   |
| EC Type Approval Certificate No. | T7614                       |

The Metrological Aspects of Non-Automatic Weighing Instruments

|                         |                             |
|-------------------------|-----------------------------|
| EN45501:2015 (module D) | Notified Body Number – 0122 |
| EN45501:1992 (module B) | Notified Body Number – 0122 |

The non-automatic weighing instrument corresponds to the production model described in the EC Type Approval Certificate and requirements of the following EC Directives:

|            |                                              |
|------------|----------------------------------------------|
| 2014/31/EU | Non-Automatic Weighing Instruments Directive |
|            |                                              |

The applicable harmonized standards are:

|                        |                                                                                                                                                                                        |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN45501:2015           | The Metrological Aspects of Non-Automatic Weighing Machines                                                                                                                            |
| EN60601-1:2006/A1:2013 | Medical electrical equipment - Part 1: General requirements for basic safety and essential performance                                                                                 |
| EN60601-1-2:2015       | Medical electrical equipment - Part 1-2: General requirements for basic safety and essential performance – Collateral standard: Electromagnetic compatibility - Requirements and tests |
|                        |                                                                                                                                                                                        |

This declaration of conformity is issued under the sole responsibility of the manufacturer.
